

## TECHNICAL DATA SHEET

### SX PVCu CREAM CLEANER

SX PVCu Cream Cleaner is a high quality non settling blended material that has mild abrasive perfumed cleaning properties.

#### USES

SX PVCu Cream Cleaner is designed as a cleaner for all types of white and veneered PVCu frames, panels, cladding and trims. It is an ideal non hazardous cleaner for compliance with mandatory Health & Safety criteria that calls for the use of non solvent based cleaners. This product is **NON FLAMMABLE**.

**COLOUR:** Cream

**PACKAGING:** 1 Litre packed 1 x 12

#### APPLICATION

Shake bottle well. Soak a clean absorbent cloth with SX PVCu Cream Cleaner then simply wipe the surface clean of contaminates. For stubborn stains, apply more cleaner to the cloth, press firmly and rub in a circular motion. This process can be repeated where necessary. Polish up the cleaned surface with a dry cloth for a bright finish. It is the user's responsibility to dispose of all packaging correctly.

#### HEALTH & SAFETY

Keep out of the reach of children. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Dispose of empty packaging correctly.

#### LIMITATIONS

Due to the composition of the cream cleaner, and its function as a non solvent based material, it is possible that this product will not perform as well as SX PVCu Solvent Cleaner (solvent based) on heavy ingrained stains. A compatibility test is recommended on a hidden area of the surface prior to application. It is the users responsibility to determine suitability.

**SX PVC<sub>u</sub> CREAM CLEANER TECHNICAL DATA SHEET CONTINUED****LIABILITY**

The information given is the result of our tests and experience and is believed to be accurate and reliable. However as Siroflex Limited cannot know all the uses its products may be put to, and as application methods are out of our control it is the users responsibility to determine suitability of use.
