## **SX PVCu SOLVENT CLEANER TECHNICAL DATA SHEET CONTINUED**

### **LIMITATIONS**

Not suitable for use on all PVCu including laminated plastics. Always test on a hidden spot before use. It is the users responsibility to determine suitability. It is prudent that this fluid does not come into contact with paints, stains and varnishes. This will prevent any inadvertent damage to such coatings.

### **LIABILITY**

The information given is the result of our tests and experience and is believed to be accurate and reliable. However as Siroflex Limited cannot know all the uses its products may be put to, and as application methods are out of our control it is the users responsibility to determine suitability of use.
