

TECHNICAL DATA SHEET

SX MULTI PURPOSE CLEANING WIPES

A quick convenient, highly effective cleaning wipe that removes uncured silicone, uncured PU foam, oil, most adhesives, paints and grease from hands, tools and surfaces.

USES

Will easily clean from hands, tools and surfaces uncured silicone sealant, epoxy stains, spray glue and rubber cement. Removes uncured PU foam, grease, oil, lubricants and paints. Can effectively remove dried paint within 24 hours of application from non absorbent surfaces. A quick, effective, no mess wipe that is ideal for workshop, office, home or on the move. Can also be used for general cleaning purposes and will refresh and clean old paint and sealants. Ideal for stain removal from most work surfaces. . Dermatologically tested, contains added Vitamin E and Aloe Vera which cares for hands.

PACKAGING: 20cmx30cm tub containing 80 wipes packed 1 x 6

DIRECTIONS

Pull out first wipe from the centre of the roll and thread through the slot in the lid. Pull out a wipe whenever required. Wipe away residue with a damp cloth if necessary. For best results, clean spills immediately. For removal of paint stains from non-porous surfaces up to 24 hours after application, simply leave a folded wipe on the paint surfaces for a few minutes prior to rubbing gently away.

FINISHING

It is the user's responsibility to dispose of all packaging correctly.

HEALTH & SAFETY

Keep out of reach of children. In case of eye contact, immediately flush eyes thoroughly with water. If condition persists contact a doctor. Keep away from heat and flame. Dispose of empty packaging correctly.
