

TECHNICAL DATA SHEET

TECTANE COCKPIT SPRAY

Cockpit Spray with orange is flexible and silicone-free.

USES

Cockpit Spray with orange cleans, polishes and preserves dashboards, rubber, plastic, wood, leather and synthetic parts in the interior of cars (e.g. cockpits, rubber mats and vinyl roofs).

- special active substances make the synthetic material last longer
- protects from dirt, frictional electricity and moisture
- makes parts that have been treated appear as new and gives protection from ultraviolet radiation
- spreads a pleasant smell in the car
- dust-repellent

PACKAGING: 400ml

APPLICATION

Shake the aerosol vigorously before use. Spray the parts to be treated economically and rub the substance in immediately with the help of a soft cloth applying no pressure at all. This gives the parts a lasting, easy-care and dust-repellent mat finish.

HEALTH & SAFETY

EXTREMELY FLAMMABLE

Harmful to aquatic organisms, may cause long-term adverse effects in the aquatic environment. Repeated exposure may cause skin dryness or cracking. Vapours may cause drowsiness and dizziness. Do not breathe aerosol. Do not empty into drains, dispose of this material and its container at hazardous or special waste collection point. If swallowed seek medical advice immediately and show this container or label. Use only in well ventilated areas. Pressurised container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition - No smoking. Buildup of explosive mixtures possible without sufficient ventilation. Keep out of the reach of children.
