

TECHNICAL DATA SHEET

TECTANE MATT BLACK LACQUER SPRAY

Matt Black Lacquer Spray is a high-quality, fast-drying lacquer based on acrylic resins.

USES

It is an all-purpose lacquer for cars, motorcycles, hobby and household. Matt Black Lacquer Spray is a highly robust special lacquer for the protection of metal surfaces which are exposed to the weather. Its special lacquering effect, however, also allows it to be applied to give cars a sporty appearance, as a decorative means as well as to brighten up weathered surfaces.

Matt Black Lacquer Spray

- adheres to metal, wood, concrete, polyester, on lacquered or grounded undercoat
- is simple in use
- protects from rust and stone chip
- is weather-proof
- is very economic
- is fast drying

PACKAGING: 400ml

APPLICATION

The ideal temperature for use ranges from 16°C to 25°C. Derust, roughen up and dust the surfaces on which the spray is to be applied. Shake the spray vigorously for about two minutes after the clearly audible striking of the metal ball. Spray the surface crosswise from a distance of approx. 25-30 cm.

HEALTH & SAFETY
