

TECHNICAL DATA

TECTANE PLASTIC CLEANER

Plastic Cleaner with lemon fragrance makes both exterior and interior car parts of plastic or lacquered wood appear as new.

USES

Motor vehicles: maintenance of smooth and grained plastic parts (such as bumpers, spoilers, bonnet, trims, tyres and dashboards).

Households: maintenance of all plastic surfaces and appliances.

Prevents cleaning as the dirt cannot stick. Is dust-repellent, antistatic, water-repellent, colour-intensifying and shampoo-resistant. Protects from weather, sun and de-icing salt.

The lemon fragrance spread by the product creates a refreshing atmosphere in the area surrounding the parts that have been treated.

PACKAGING: 400ml aerosol

APPLICATION

Shake the aerosol vigorously before use and apply the spray evenly on the surface to be treated. Let it work in for a short while and remove the dissolving dirt with a cloth.

FINISHING

Let the product dry off completely, then polish the surface up with a cloth.

HEALTH & SAFETY

EXTREMELY FLAMMABLE IRRITANT DANGEROUS FOR THE ENVIRONMENT

Irritating to skin. Toxic to aquatic organisms, may cause long term adverse effects in the aquatic environment. Vapours may cause drowsiness and dizziness. Do not breathe aerosol. Do not empty into drains, dispose of this material and its container at hazardous or special waste collection point. If swallowed seek medical advice immediately and show this container or label. Pressurised container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition - No smoking. Buildup of explosive mixtures possible without sufficient ventilation. Keep out of the reach of children.

LIMITATIONS

To create a better cleaning effect, Plastic Spray contains inflammable solvents. The product may, therefore, only be used in well-ventilated rooms, but never anywhere near inflammable sources, such as open fire, light or live cables.

LIABILITY

The information given is the result of our tests and experience and is believed to be accurate and reliable. However, as Siroflex Limited cannot know all the uses its products may be put to, and as application methods are out of our control it is the users responsibility to determine suitability of use.
